What an amazing milestone - and its always exciting to use our nose-loading capabilities!

We're looking forward to visiting [Flughafen Frankfurt -Hahn GmbH](#) a lot more frequently now. Here's to many more safe and successful operations ahead! ✈️

A new milestone for AIR ONE ✈️

On 16 October, we operated our first scheduled service from Hahn (HHN).

We now offer two weekly direct flights (Days 4 & 6) from EMA and HHN to DWC and HKG — operated by our nose-loaded Boeing 747F, providing flexible solutions for special, oversized, and high-value cargo.
